Millions of consumers offered over this period, no lack of individual evaluations, and leading setting in several independent essay services positions this is everything about I have utilized their solution greater than once, as well as I can not remember any kind of problems neither with a custom-made essay high quality neither with connecting with a writer.

Essay 1: Combating the Cult of Thinness

Why would a frightening percentage of American women gladly trade five years off their lives for 10 pounds off their bodies, or prefer to be perceived as thin rather than as kind or intelligent? This obsession with thinness needs to be understood if we are to avoid the consequences, which are often tragic. Beyond this, there are further steps that ought to be taken so that women can have a healthier and more positive sense of themselves.

It is no wonder that American women are obsessed with thinness. From a very young age, it is emphasized to women how important it is to be pretty, and to be pretty by society's standards means being thin. This blatant message is seen everywhere. Not only do images in magazines, TV commercials and billboard posters put an exaggerated emphasis on women's bodies, they also hold up an ideal of thinness that is almost impossible to attain. Computer-enhanced photography employs techniques such as airbrushing blemishes and slenderizing the bodies of models. This adds to the creation of an ideal model that women strive to mimic.

American society's prescription of what it means to be feminine needs a rewrite. Current definitions of femininity are dictated by a social system that gains control over women by defining them primarily in terms of their bodies. In order to see change, women must challenge the industries that feed upon body insecurity. They need to change the messages that women absorb daily. One method would be to stop purchasing the very fashion magazines that have been allowed to define femininity. Large-scale boycotts of these fashion magazines can lead to major change of the feminine ideal.

Another method that can be used to alleviate the emphasis placed on the ideal figure is through education. Women need to realize that the images seen in advertisements and on television sitcoms are not the norm. The average American woman is 5'4", a size 12, and 155 pounds. Women

The 2nd time I was calling them was about an instance research study for my reporter task that was done rapidly and also properly as well. I keep in mind connecting with the writer I employed to offer my feedback directly. On the whole, a pleasant and also enjoyable experience getting from. One more point worth noting is their Contentment Guarantee Plan.

How to Write a College Essay

That is why they offer a full reimbursement complied with by a complimentary of charge hire of an additional writer if you are not delighted with the initial essay top quality.
